Updated May 6, 2019

1. Application form

This form must be completed legibly, in ink or as a Word document. The application form should be sent directly to Dennis Burkhardt via US Mail or as an email attachment.

2. Confidential personal reference forms

A minimum of **two** confidential personal references are **required**. At least one reference should be from your school music teacher or director. If you have more than one music teacher, you may request a reference from each person, or choose the one who knows you best.

Family members, relatives, neighbors or friends are not appropriate choices for completing these reference forms.

You are responsible for following up with your reference sources to make certain these forms are completed and turned in as soon as possible. Your acceptance may be delayed if these forms are not returned to us. It is suggested that you print your name on the reference form pages and provide a stamped, addressed envelope (addressed to Dennis Burkhardt) to the person from whom you are asking the reference information.

3. Auditions and interviews

Auditions generally are not required but may be requested of younger/less experienced musicians. Interviews typically are required. When your application documents have been received, we will contact you in regard to any audition and/or interview that will be needed.

Note: Please send in your completed **Application Form** as soon as possible. Your confidential personal reference forms can be received at a later time. **Acceptance to the tour can only occur after the application form and at least two reference forms are received, as well as the first payment of \$625.**
