Please complete the following sections—you are welcome to use additional space or paper.

List your history with CYSO such as children enrolled, orchestra membership, years involved, volunteer activities with CYSO or beyond.

List any previous experiences you have had as a chaperone, or related experiences with youth activities.

List any traveling you have done outside of the United States.

Describe what you believe you will be able to contribute as a chaperone on this trip. Please include any skills or experience you might have in the areas of digital photography, videography, ability to upload photos to email or websites, maintain a blog, and so forth. Ability to be flexible, respect and follow the time schedule, and participate as a problem solver with a positive attitude are highly desirable attributes. Please add any additional information that may be pertinent.

Thank you for your interest in being considered as a chaperone for the 2024 CYSO tour.
