All students will be required to wear a mask at rehearsals

For wind and brass students:

- Bell covers with appropriate material MERV 13 or 3-layer medical face mask or similar material – are required for brass and woodwind instruments when indoors (it is not required to provide masks with slits) **You must provide your own covering for your instrument.**
- Woodwinds and brass performers may remove their face coverings/masks when performing on their instrument and must replace their face covering/mask during non-performance time.
- Face coverings/masks with slits are recommended but not required; failing this the students could wear their own face masks (pull down to play - immediately pull up during rests).
